AMENDMENT UNDER 37 C.F.R. § 1.111

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Advisory Action dated August 15, 2001, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

- SUB C17*
1. (As Amended) A method for leading a user through a program procedure on a computer to accomplish at least one of loading, installation, migration, fallback, remigration, and update tasks of a program, the method comprising the steps of:
 - a) displaying a window to the user providing information regarding parameters of the program;
 - b) transferring the user from the window to a parameter input window associated with one of the parameters selected by the user to be set or changed, wherein the user provides information in the parameter input window to set or change the value of the parameter,
